

**Bible Course Daily Outline**  
**Mr. John R Wallace, Jr, Administrator**  
**August 31 - September 11, 2020**

Students:

It seems like it was a long time ago that we released from our regular classroom experience to study in a virtual classroom at home. I know how difficult these months have been for many of us. Some have suffered loss of friends and family members. Most have missed friends, the familiar and the stability that seemed to surround our lives. Even with all this, the Lord has carried us through and brought us to this point.

The Word tells He knows us and has a plan for us. Right now, you are living that plan out as you study to prepare for the future He has for you. Your teachers and other faculty members get to live out His plan for them as they step into the awesome privilege of helping to prepare you, yes, for that plan He has for you!

It is my prayer that as we spend the next nine months or 1,260 hours in class together, we make the most of the time the Lord has given us.

Blessings!

Mr. Wallace
